**INVITATION TO BID  
WATCH FACTORY DEMOLITION PROJECT  
BID NO.: 115-PW-002**

**ADDENDUM NO.: 4**

To: All Bidders:

Please make the following changes to the above mentioned bid package.

- The City of Rockford would like to clarify the brick restoration after the joists, beams & trusses have been removed from the remaining Watch Factory building. The wall pockets need to be "toothed" or "keyed" to patch the holes instead of cutting bricks to fit the hole. Full size bricks must be used to ensure the building is restored to its natural state.

All other portions remained unchanged.

**A copy of this addendum or a reference thereto must be included with your bid or the bid will not be read or considered.**

If you have any questions please contact the Central Services Division at (815) 987-5560.
